

## WAM Strategic Value IPO exceeds minimum on offer open

24 May 2021  
ASX announcement

WAM Strategic Value Limited has exceeded the \$16.5 million minimum offer proceeds\* in its strictly limited \$225 million initial public offer capital raising, which opened today, 24 May 2021.

Wilson Asset Management Chairman and Chief Investment Officer Geoff Wilson AO said:

“WAM Strategic Value will provide exposure to Wilson Asset Management’s proven market-driven investment process focused on identifying and capitalising on share price discounts to underlying asset values of listed companies, primarily listed investment companies (LICs) and listed investment trusts (LITs). Essentially, we are focused on identifying and investing in \$1 of assets for 80c.

Our experience and expertise in managing closed-end vehicles provides us with a unique methodology to identify and benefit from LIC and LIT market mispricing opportunities and engage proactively with boards, management teams, investors and other stakeholders. This primary focus will be complemented by other market mispricing opportunities arising within the corporate sector, such as takeovers or capital raisings, where we are able to utilise our position as an institutional investor responsible for more than \$4 billion of shareholder capital.”
